

Senate Floor Action for May 22, 2017

HFS Performance Audit (SB 321): Requires the Attorney General, by June 30, to initiate a performance audit of the Department of Healthcare and Family Services (HFS) to determine its compliance with the care coordination requirements of the act. Requires the determinations to include at least the following: Whether HFS has developed and applied standardized quality performance measures to Medicaid Managed Care entities; Whether it has developed and implemented algorithms for automatic assignment of Medicaid enrollees into managed care entities; Whether the standardized quality performance measures and algorithms developed by HFS use measurable quality metrics, are developed and applied according to statutory criteria, and are adequately documented.

DNR Transfer—Scott County (SB 1103): Allows the Department Natural Resources to release, by quit claim deed, a parcel of land along the Illinois River in Scott County.
